PRIMARY SCHOLARLY INTERESTS

1. Behavioral ecology, especially related to optimal foraging and choice theory.
2. Animal welfare, principally as it pertains to animal rehabilitation, conservation, and captivity wellness.
3. Comparative psychology of anxiety, depression, and boredom as its expressed among human and nonhuman animals.

CURRENT APPOINTMENT AND ACADEMIC AFFILIATIONS

2017 – Present Professor, Comparative Animal Behavior and Neuroscience, Department of Psychology. [Pacific University](http://www.pacificu.edu), Forest Grove, Oregon

2018 – Present Visiting Scientist, [Whidbey Camano Land Trust](http://www.whidbeyresearch.org). Greenbank, Washington

2018 – Present Senior Research Associate, [Oregon Zoo](http://www.oregonzoo.org). Portland, Oregon

PREVIOUS ACADEMIC APPOINTMENTS

2010 – 2017 Associate Professor, Comparative Animal Behavior and Neuroscience, [Department of Psychology, Pacific University](http://www.pacificu.edu), Forest Grove, Oregon

2005 – 2010 Assistant Professor, Comparative Animal Behavior and Neuroscience, [Department of Psychology, Pacific University](http://www.pacificu.edu), Forest Grove, Oregon

- 2004 – 2005 Assistant Professor, Comparative Animal Behavior and Neuroscience,
[Department of Psychology and Counseling](#), University of Arkansas, Conway,
Arkansas
- 2003 – 2004 Assistant Professor, Comparative Animal Behavior and Neuroscience,
[Department of Psychology, University of Montana](#), Missoula, Montana

EDUCATION

- 2003 Ph.D. Comparative Animal Behavior and Neuroscience, Experimental
Psychology Dissertation: *Optimal foraging theory and biological predictors of
risk-sensitive choice*. University of Montana, Department of (Experimental)
Psychology, Missoula, Montana
- 2002 M.A. Comparative Animal Behavior and Neuroscience. University of Montana,
Department of (Experimental) Psychology, Missoula, Montana
- 1999 B.A. Behavioral Sciences, University of Alaska Southeast, Juneau, Alaska
- 1996 B.S. Zoology, Washington State University, Pullman, Washington.

FIELD RESEARCH

- 2018 – Present Principal Investigator Admiralty Bay (Keystone Beach), Coupeville,
Washington. North American River Otters' (*Lutra
canadensis*) Patch Choice across Lacustrine and
Marine Foraging Environments. Permit Granting
Organization: Whidbey Camano Land Trust,
Greenbank, WA. Conservation Director: [Ryan
Elting](#); Stewardship Director: [Kyle Ostermick-
Durkee](#)
- 2018 – Present Principal Investigator Otters of Whidbey Island, A Citizen Scientist
Reporting Project. North American River Otters'
(*Lutra canadensis*) Population Density on Whidbey
Island. Permit Granting Organization: Whidbey
Camano Land Trust, Greenbank, WA. Conservation
Director: [Ryan Elting](#); Stewardship Director: [Kyle
Ostermick-Durkee](#)
- May – Aug. 2018 Fellow North American River Otters' (*Lutra canadensis*)
Foraging Activity on a private, San Juan Island –
Rev.: Extirpation of Blakely Island otter population.
Permit Granting Institution: Seattle Pacific University,
Seattle, WA. Research Station Director, [Tim Nelson](#)

June 1998	Field Assistant	Dungeness Crab (<i>Metacarcinus magister</i>) Fecundity and Limb Loss in National Park and Marine Fishery, Glacier Bay. Grant: National Marine Fisheries, Principal Investigator: Dr. Thomas Shirley, University of Alaska Fairbanks, Institute of Marine Sciences, Juneau Campus
1996 – 1997	Research Naturalist	North Pacific Humpback Whale (<i>Megaptera novaeangliae</i>) tail fluke identification of migratory returns, calf counts and bull acoustic identification. Supervisors: Dr. Greg Kaufman and Megan Jones, Pacific Whale Foundation , Maui, Hawai'i
June 1998	Field Assistant	Harbor seal (<i>Phoca Vitulina</i>) cow-calf scan in Glacier Bay Alaska. Grant: National Marine Fisheries, Principal Investigator: Beth Mathews, M.S., University of Alaska Fairbanks, Institute of Marine Sciences, Juneau Campus

ZOO RESEARCH

2019 – Present	Principal Investigator	Activity Budgets of a Juvenile and Adult Captive Southern Sea Otter (<i>Enhydra lutra</i>). Oregon Zoo, Portland, Oregon. Research Director: Dr. Nadja Wielebnowski. Oregon Zoo, Portland, Oregon
2016 – Present	Principal Investigator	Fostering and Parenting Opportunity as a welfare variable among Captive North American River Otter (<i>Lontra canadensis</i>). Oregon Zoo, Portland, Oregon. Research Director: Dr. Nadja Wielebnowski
2014 – 2017	Principal Investigator	<i>Enclosure Utilization, Interaction Quality and Activity Variability among Three Captive Southern Sea Otters (Enhydra lutra neresis)</i> . The Oregon Zoo, Portland, OR

GRANTS AND AWARDS

Funded Grants

2020	Pacific PRISM Summer Research Grant <i>Comparative Health and Behavior of Captive, Rehabilitated Oregon Zoo and Whidbey Island Marine-Foraging River Otters.</i> This endowment supported one faculty and two student investigators during summer field research in 2020, Coupeville, WA. It further sustained behavioral observation and comparative hormone assays at the Oregon Zoo from 2020 – 2021, Portland, Oregon and Pacific University, Forest Grove, Oregon.	###,###
2018	Nichols Award AY 2018-2019 <i>Teaching Grant: Establishment a field research protocol for Student investigators on Whidbey Island, Washington.</i> Pacific University, Forest Grove, OR	\$1,500
2017	Faculty Development Grant <i>Field Research: Marine Foraging North American River Otters in the Salish Sea.</i> Pacific University, Forest Grove, Oregon	\$3,000
2017	President’s Award for Excellence in Undergraduate Teaching Pacific University, Forest Grove, Oregon	\$500
2015	Pacific PRISM Summer Research Grant <i>A Behavioral Ethogram of Two Captive Southern sea otters (Enhyra lutris neresis) and the Introduction of a New Pup at the Oregon Zoo.</i> Pacific University, Forest Grove, Oregon	\$10,220
2015	Elise Elliot Award <i>Behavioral Observation of Captive Southern Sea Otters</i> This endowment supported a behavioral ethogram piloted during the 2014-2015 academic year. Pacific University, Forest Grove, Oregon	\$2,000
2013	Hawthorne Fellowship, The Attic Institute Fellows met twice a month for 5 months to share work and to refine individual creative nonfiction works for publication. Pacific University, Forest Grove, Oregon	n/a
2009	Pacific University Junior Faculty Award In recognition of outstanding early career activity as a teacher and mentor and for significant contributions to the Academy. Pacific University, Forest Grove, Oregon	n/a
2007	Faculty Research Grant <i>Differential Choice Responding Using the Iowa Gambling Task</i> Pacific University, Forest Grove, Oregon	\$1,700

2007	Elise Elliot Grant, Mind and Evolution Lecture Series Differential Choice Responding Using the Iowa Gambling Task Pacific University, Forest Grove, Oregon	\$3,000
2006	Chemistry.com Research Endowment Development of Fisher Temperament Scale Now used commercially on Chemistry.com	\$3,000

Unfunded Grant Proposals

2019	The Norcliffe Foundation Mission: <i>To Improve the Quality of Life for all People In Our Community</i> Title: Whidbey Island River Otter Diet, Distribution, and Health 600 University Street, Suite 2003, Seattle, WA 98101
